McIntosh 1890s Festival has been Cancelled

It was with a heavy heart that, on July 14, the Friends of McIntosh cancelled this year's 1890s Festival. It was a difficult decision based on our estimate of vendor and patron safety and *advice and directives* from the •State of Florida, the •Marion County Commission, the •Marion County Sheriff's Office, the •McIntosh Town Council, and *input* from McIntosh residents, churches, and local non-profits.

Festival 2021

**We anticipate a full festival in
October of 2021**

As always, the date depends on the
University of Florida's football schedule
